

## Advantage On-Site™

Advantage WorkComp Services offers a unique program with our staff physically in your local offices working at your direction. Advantage On-Site™ allows you to focus on your organization's specific goals, without the supervision and employment hassles or other challenges that eat up so much of your time.

Advantage On-Site™ offers the opportunity to not only fill a short- or long-term need for personnel, but to actually improve operations in the long run. It is an enhancement program that can be implemented in conjunction with any of our services:

- **Managed Care and Fee Management Programs**
- **Claims, Fraud and Safety Services**
- **Consulting and Seminar Training**

With decades of experience behind our professionals, our program development, delivery and pricing are unbeatable in the industry.

The Advantage On-Site™ partnership empowers your organization to run more efficiently, even after our people leave. Your success is our success.
